RACE TRACK, GRAVESEND, Sept. 7.-Stalwart won the Hindoo Stakes in gallop this afternoon and E. R. Cottrell, of the West Thirtieth street police station, as-aisted by Detectives Willense and Bren-nan and several uniformed men, raided

lect race on him. As Ornondes Right had been heavily backed Redfern's orders were probably to move when Lyne moved for he made no effort to get to the front until Ornonde's Right started after Broomstick on the far turn. Then Redfern sent Stalwart quickly up and by Ormendes Right, and racing to the front with a great burst of speed came away and won in a gallop. Ormonde's Right was ired on the stretch and could not beat

groomstick home for the place. Castalian was a warm favorite in the ppening event, but he got a poor break and was never in the hunt. Right and rue, with the rail position, jumped away in front and made the pade, toriowed by Old England and Astarita. Iney ran this way to the stretch, where Old England closed, but could not quite get up. Right and True winning by a head. Old England was three lengths in front of Counterpoise.

Czaraphine was the opening favorite in the second race, but there was a tremendous plunge on Flyback, who was backed so heavily that from 5 to 1 he closed at 9 to 5, equal choice with Czaraphine. The latter jumped away in front and made the pace followed by Fancy Dress and Flyback. They held this order to the stretch, where Fancy Dress quit. Derry then closed strong, but could not catch Czaraphine, who won by a neck. Derry was three-quarters of a length in front of Glen Echo. Chicago...... 0 0 0 0 0 2 0 0 0 — 2 WORTH RACE TRACK. Statwart in a Gallop.

Statwart won the Hindoo Stakes in a big gallop. Some of the smart people thought that Ormonde's Right, with his allowance of weight, might beat Staiwart, and the backing the Paget coit received caused the good price of it to 10 to be laid against the Thomas pair. St. Valentine made the running, followed by Ormonde's Right and Broomstick. There was no change for a mile. Then Broomstick moved up and at the far turn took the lead. Ormonde's Right and Staiwart then closed very quickly and in the streeth Staiwart came away without an effort, winning by six lengths from Broomstick, who outgamed Ormonde's Right and beat him a length and a haif for the place.

Queen Rose, a 10 to 1 chance, went to the front soon after the start, made all the running and won by a length from Druld, who beat Delusion a half length for the place. Burns on Druld claimed a foul against Queen Rose, but it was not allowed.
